
Assembly Technician – Job Req R1920 – Part Time

Quadrus Medical Technologies, Inc. is a health tech startup. We aim to revolutionize critical care medicine with technologies rooted in advanced engineering. We specialize in artificial intelligence and physiology-based solutions for cardiovascular, respiratory, and renal systems. We strive to bring personalized diagnostic and therapeutic information to the care team when and where it is needed most.

What you will be responsible for:

- Assemble mechanical and electrical components
- Follow the SOP's for installation, assembly, testing, and/or packaging
- Label components and products
- Record incoming/outgoing inventory for inventory tracking
- Test assembled products according to test protocol
- Package assembled products into crates for shipping
- Record, summarize, and report test results
- Maintain organized assembly workspaces
- Contribute to documentation
- Participate in operations meetings

What we expect you to bring to the table:

- Strong ability to read, listen, comprehend, and follow instructions
- Professionalism and reliability in attendance and punctuality
- Dexterity and visibility to work with small components
- Ability to use hand tools (Allen key, screwdriver, etc.)
- Experience with reading, writing, building, and/or assembling
- Ability to lift up to 30lbs

What we consider to be a plus:

- Experience with mechanical tools
- Experience with electrical assembly (crimping, soldering, etc.)
- Experience in computer software (Word, Excel, PowerPoint, email)
- Strong organizational skills
- Experience in maintaining inventory, spreadsheets, etc.
- Desire to learn about and passion for timely delivery of medical health technology

Preferred background: Minimum two years of high school, high school diploma, GED, or equivalent.

Note: This position is on-site at our office location. Please only apply if you would be able to fulfill this requirement.

Quadrus Medical Technologies, Inc. is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law. If you have a disability and require a reasonable accommodation to assist you in completing your application, please contact QMT at info@quadrusmedical.com and (929)343-5400. Please mention job requisition R1920 when applying.
